Dear Joy Pankajkumar Patel,

Congratulations!

On behalf of the faculty and staff of the University of Niagara Falls Canada (UNF), I am pleased to inform you of your admission to UNF for the 14/04/2025 in the Masters of Data Analytics program. Please note this program is located at our Niagara Falls campus and begins 14/04/2025.

Student Number: NF1027331
Program of Study: Masters of Data Analytics
Level of Study: Master's
Mode of Study: On-Campus
Program Intake: 14/04/2025

Admission to our university is very competitive and we take great care in evaluating each application for admission. At UNF, we believe that education is the key to unlocking human potential and driving social and economic progress. As a part of our community, you will experience an institution committed to cultivating an academic community that prepares graduates for leadership in a digital world. Through an immersive learning setting that promotes interactive and experiential education, UNF takes pride in delivering a distinctive academic journey that readies prospective graduates for success in their chosen fields.

To continue with your admission, please carefully review the information included in this package. Here you will find your Letter of Acceptance, Conditions of Acceptance, and available Entrance Awards. Additionally, an estimation of fees is included in this package which does not include any scholarship deductions and can be used as a guide for payments. However, please be aware that your final invoice amount may vary from the amount indicated on the estimated fees included in this package.

If you have received multiple offers, you may only accept one (1) offer per intake/term at the university.

Once again, congratulations on your admission. We look forward to welcoming you to the University of Niagara Falls Canada!
