When you can start a permanent full-time job

If you apply for a Skilled Worker visa, you can start work in a permanent full-time job up to 3 months before your course completion date.

If you apply for a Graduate visa, you can start work in a permanent full-time job once you have successfully completed your course of study.

All of the following must also apply:

- you are studying full-time at degree level or above with a higher education provider that has a [track record of compliance as a student sponsor](https://www.gov.uk/government/publications/register-of-licensed-sponsors-students) (<https://www.gov.uk/government/publications/register-of-licensed-sponsors-students>)
